

## Davis Junction Phase I Landfill

### Instructions to Access Permit Repository

#### Overview

BFI Waste Systems of North America, LLC, a subsidiary of Republic Services, Inc., maintains an information repository for the closed Davis Junction Phase I Landfill.

The repository, which complies with the applicable Illinois regulations (35 Illinois Administrative Code 703.193), contains the RCRA Permit Renewal Application submitted to the Illinois EPA for the landfill. The repository is available to the public at all times through the link below or the QR code.

Note that Davis Junction Phase I no longer accepts waste and was certified closed by Illinois EPA in 1984. BFI Waste Systems of North America, LLC is responsible for post-closure care of the facility in accordance with permits issued by the Illinois EPA.
